

YOUR PASSPORT

Now that we have left the European Union, you must ensure you have at least 6 months validity left on your passport from the date you return home at the end of your holiday, or you may run into problems with Immigration Authorities.

Your Passport must also be less than 10 years old and the key pages with your ID on must be undamaged.

Allow plenty of time to get a new passport if you need one. The summer is a popular time. At the moment, with the pandemic, the advice is to allow up to 10 weeks.
